

LEXCO

incorporated

Standard Packing for Ceramic Honeycombs (150x150x300mm)

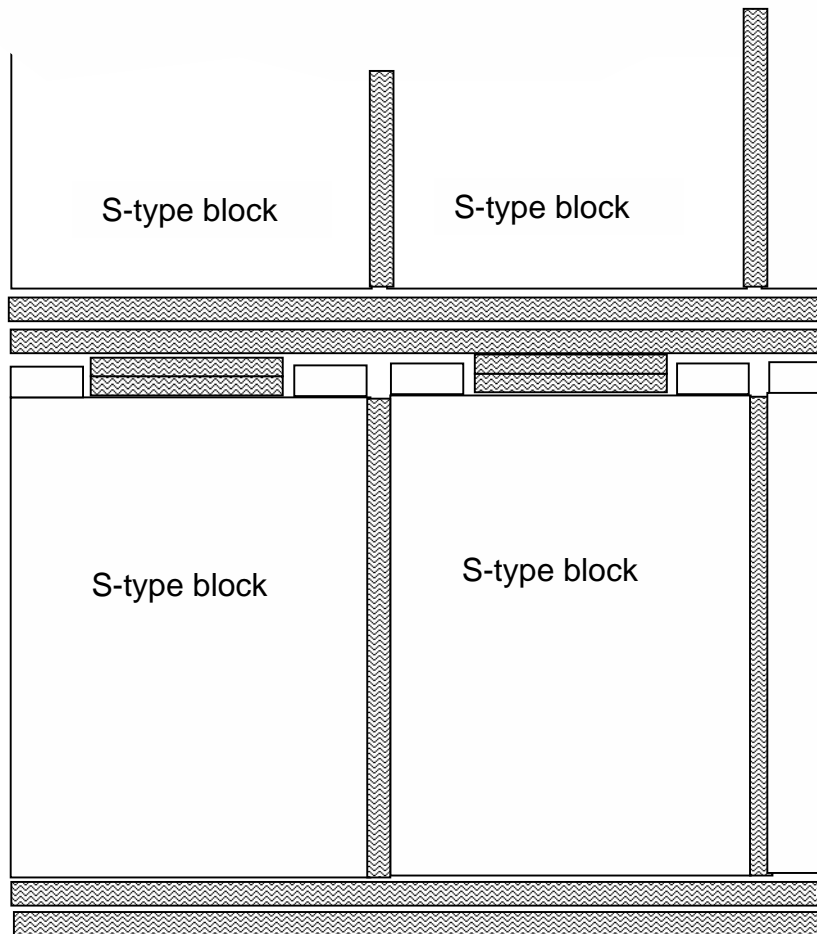

+ tying up (steel band 16 x 0,5mm)

+ shrink wrapping (PE-toil)

Total dimension: 1100mm x 1100mm x 1090mm

Schematic illustration of S-type block packaging

Corrugated card board (5,5 mm thickness)

Improvements:

- 1) 2 layers corrugated card board stripes between spacers
- 2) 2 layers (vertically) of corrugated card board between block layers
- 3) For 450mm blocks horizontal layers of corrugated card board over full length of block
- 4) Wooden top is reinforced as illustrated in Lexco information (see pdf file)
